

Demonstrate your support for the lake. Become a Business Sponsor

Watchic Lake is known for its swimming, good fishing, and a variety of wildlife. The Watchic Lake Association is an all-volunteer organization that works to improve, protect, and preserve the lake's water quality and ecosystem.

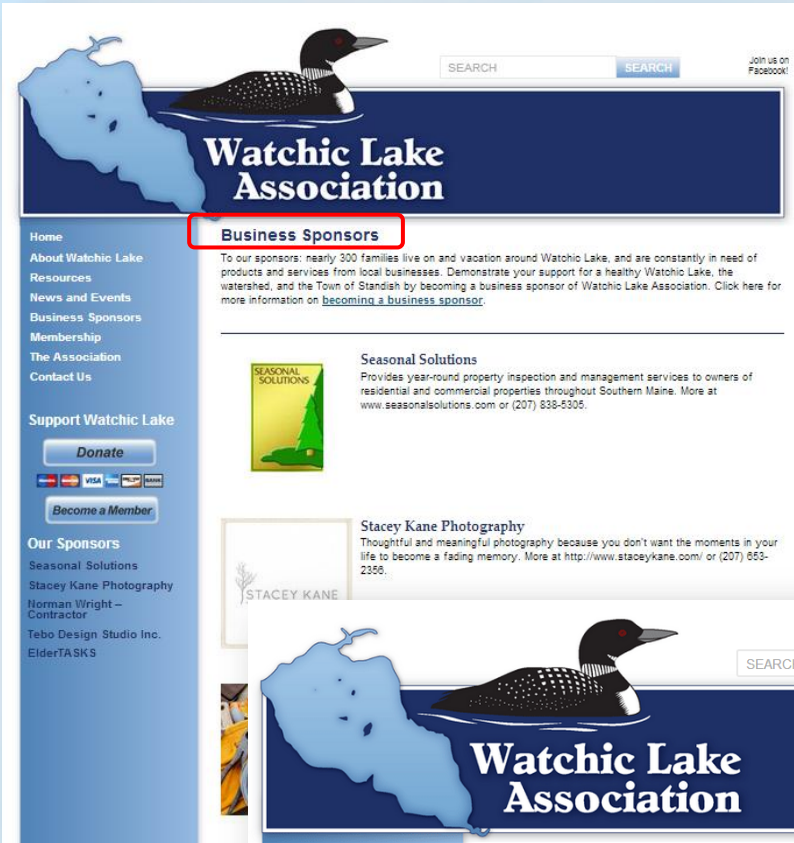

Business Sponsorship Benefits:

- Your business noted as a sponsor on every page on our website, including our home page
- Your logo, a short description of your business, and a link to your website on our Business Sponsor page
- Links and references to your business from appropriate Watchic Lake website stories
- Opportunities to join and speak at WLA events with information to help WLA members

Over 250 families live on and around Watchic Lake and many more vacation and rent throughout the year. These folks are constantly in need of products and services from local businesses. Demonstrate your support for a healthy Watchic Lake and Watchic Lake Watershed, by becoming a Business Sponsor!

New to Watchic Lake

For many, owning or renting a lake front home is a dream come true. This is certainly the case for anyone owning or renting property on Watchic Lake. Longer term residents are familiar with the routines of enjoying and maintaining their Watchic Lake property. Newer residents however often ask for guidance... with their experiences in mind the following is designed to help new members of the Watchic Lake community.

Join the Watchic Lake Association
The WLA helps maintain the lake for your enjoyment. They are also available for all kinds of advice and guidance on everything to do with enjoying your stay on the lake and maintaining your property.

A vibrant and active lake association not only increases your enjoyment, but increases the desirability of Watchic Lake property, and thus your home's value.

For more information about the WLA and to join visit the [Membership Overview](#) section of this site.

Maintain your dock and float
Many Watchic Lake properties have docks and/or floats used for swimming, canoe/boat mooring etc. In order to avoid ice damage, **it is important to remove your dock and float from the lake for the winter.** This is best done before the dam is opened and the water level is higher, and by state law by November 1st. This is often done by the property owner, but local companies such as [Seasonal Solutions](#) can do this work as well.

How to Join:

- Business sponsorship fees are \$50/year.
- Business sponsors will be reviewed prior to posting to ensure a good fit with the overall mission of the Watchic Lake Association.
- Contact us at
 - Patty Guenthner at 207-642-1210 or jackpat@fairpoint.net
 - Paul McNulty at 978-750-8409 or pmcnulty@verizon.net
 - Steve Center at 207-730-2261 or steve@centervale.com
