Watchic Lake Association

Watchic Lake Stewardship Fund

Purpose

Funds will be used to maintain and improve water quality of Watchic Lake, and to insure a well-functioning dam. This will be done by understanding and rapidly addressing risks to water quality, addressing any invasive species infestation, resolution of any environmental risks that occur, and to reduce contaminates entering the lake via runoff or by other means. Unless otherwise stipulated by the donor, at least 40% of funds received will be directed towards avoiding and addressing invasive species infestations.

Goal

To obtain written commitments of $350,000 to be received over a period of between one and ten years beginning with the year 2019.
